

Vegetable Garden

Products will aid you in having Beautiful & Bountiful Veggies

Building Up Soil in Vegetable Garden – Veggies love well-drained soil (no standing water) & not too sandy so all the nutrients flush out – Sandy Loam to loam is perfect...We recommend the following products:

Organic Soil

- **For the Very Busy Gardener...** Miracle-Gro **Organic Choice** Garden Soil, All organic ingredients, with all natural food provides both quick and slow-releasing feeding ó Use as is or mix with your top soil
- **For the Busy Gardener...** Scotts Premium Topsoil ó Blend of Organic materials plus peat moss ó good all purpose soil for planting ó Use as is or mix with your top soil ó Fertilizer has to be added

Non-Organic Soil Amendments

- **For the Very Busy Gardener...** Miracle-Gro Garden Soil ó Flower & Vegetable ó Improves existing soil to build strong roots, includes Miracle-Gro Continuous Release Plant Food (feeds for 3 months)

Fertilizer for the Organic Gardener

- **For the Very Busy Gardener** Miracle-Gro **Organic Choice** All Purpose Plant Food 8-0-0, Ready to Spray
- **For the Busy Gardener** Miracle-Gro **Organic Choice** Plant Food Concentrate 8-0-0, Mix with Water in Sprinkling Can

Non-Organic Fertilizers – We recommend the following:

- **To prevent transplant shock** Miracle-Gro Liquid Quick Start (fertilizer), 4-12-4, also stimulates root growth
- **For Very Busy Gardeners** Osmocote Smart Release Flower & Vegetable Plant Food 14-14-14, balanced formula for a continuous supply of nutrition, mix into soil
- **For the Busy Gardener...** Miracle-Gro Water Soluble Tomato & All Vegetables Plant Food 18-18-21, mix with water
